## MAKE A DIFFERENCE

Children everywhere should have the right to be educated, protected and healthy. You have the power to bring that right to the orphans of Gaza.

Give to the Fostering Leadership for Young Palestinians Fund today and increase your impact! Thanks to Mr. Abbas F. ("Eddy") and Mrs. Samar D. Zuaiter, contributions will be matched 50 cents to the dollar, and your gift of \$1,000 will support one orphan for a year.

More than 2,500 children were orphaned following the 2014 attacks on Gaza. But there is a glimmer of hope: the Welfare Association's Orphans of Gaza 2014 Program provides an innovative strategy to change the course of these orphans' lives.

The Welfare Association (WA) has an established track record of problem-solving in Palestine as an effective grantmaker that is well-connected to community needs. In response to the 2008 war in Gaza, the WA provided 1,800 orphaned children with holistic care, empowering these youth to lead dignified and self-determined lives.

The Orphans of Gaza 2014 Program provides a comprehensive, long-term approach to strategically meet the needs of 2,500 orphans, from infancy through age 22. From healthcare and housing, to school uniforms and university fees, to vocational training and employability skills, the program surrounds each orphan with a fully-integrated support system throughout the critical years of childhood and adolescence.

Business leaders and philanthropists, Abbas & Samar Zuaiter, have established the Fostering Leadership for Young Palestinians Fund (FLYP) at the Center for Arab American Philanthropy (CAAP) to support WA's youth programming. This Fund is currently designated to WA's Orphans of Gaza 2014 Program, providing you with an exceptional opportunity to assist orphaned children. **Will you give Palestinian youth a chance for a better future?**
